

CV Website With SDX!

I'm Bruno

Languages

German

Native language

German is my mother tongue. It has accompanied me throughout my life since birth and is an integral part of my everyday life.

Italian

Native language

I have been speaking Italian since birth. This language is my mother tongue, learned from my parents.

English

Fluent

Although I have been speaking English since the third grade, I would like to master it better. While it is a solid part of my everyday life, I am working on deepening my skills.

French

Beginner

I have been speaking French since the fourth grade, which is about five years now. I learned the language in school.

Common Questions

How was your first day as an apprentice?

My first day as an apprentice was exciting and somewhat overwhelming, but I was also curious and ready to learn everything that came my way.

What inspired you to choose this apprenticeship?

The prospect of learning practical skills and making a direct contribution to an area that has always interested me inspired me to choose this apprenticeship.

How have you evolved during the apprenticeship?

During my apprenticeship, I greatly improved my skills in teamwork and problem-solving, which helped me become more professionally confident.

What advice would you give to others starting a similar apprenticeship?

My advice to others starting a similar apprenticeship would be to be open to new experiences and actively seek opportunities for personal and professional growth.
